

BSCC Summer Programme 2023

A series of informal events throughout the summer period for members / prospective members of the club to meet and support each other in the enjoyment of photography. Experienced members of the club to help support new / beginners with basic camera and photography skills.

Important note: Whilst we will endeavor to keep to the programme, all events are subject to change. Please read the weekly newsletter for up-to-date details about location, timings and the possibility of short notice changes.
